Faculty

One of the important functions of our faculty is the teacher's meetings which they attend. Their meetings are every Monday night after school. The high school faculty meets the first Monday and, the grade school faculty the next. Once a month a joint meeting is held.

The purpose of these meetings are to discuss school problems and to try and work out satisfactory solutions.

These meetings play an important part in the rules that are set for us.

7th GRADE TERRY WEDGE
8th GRADE MICHAEL NEILSON
FRESHMAN JAMES MOSSEY
SOPHOMORE LEE McCORD
JUNIOR TERRY YODER

You the Seniors of 1960 have a full year before you.

You have the usual Senior projects in order to provide for your Senior year. It is your duty to see that the public patronizes these projects for now and the following year. You have great responsibilities to your parents, your teachers, your fellow students, and yourselves.

Yet it is not all work! There is the fun of planning together your class play, ham supper, and trip.

For the boys, remain the responsibilities of raising Bristol's sports spirit; the girls, the encouragement of wins, and acceptance of defeat.

We, the Seniors of 1959, take this opportunity to thank you for the memory of your fellowship, fun-ship, and friendship of the past years and wish you success in your coming year.

A Share In America?

Yes indeed, a real share in America is yours partly for the asking, partly for the taking. You'll soon ask to take your place in America as an independent citizen, as one share of the heritage your forefathers passed on to you. Perhaps you will invest your earned money in the stock issued by American business firms. This is another way of owning a share of America.

There are many such examples of private privilege in this great country—voting is one such, electing the men and women who fill the chairs of America's government "of the people."

All this responsibility and privilege calls for the highest caliber citizens our parents and our schools can produce. Make sure your schools' investment in you, that your parents' investment in you—turns into stock whose value soars higher and higher and higher as the years advance so you can truly aver that you are, indeed, a SHARE OF AMERICA.

Congratulations on graduation day from your newspaper, your radio station and your television station—one good citizen to another.
